Dear Cattlemen,

Welcome to the LaGrand Angus & Hereford Ranch eighth Annual Bull and Female Sale. We are proud to say that we have had an absolute wonderful year since the last spring sale, despite the drought. One of our main herd sires, LaGrand Reload 80P, was named Grand Champion Hereford Bull at the National Western in Denver. We are offering a few animals sired by him this year, with many more to come in the upcoming sales. Also, we had the honor of receiving Supreme Champion Bull at the Black Hills Stock Show with LaGrand Structure 5775, now known as LaGrand MAF Antidote 5775. These are just two of the major and many accomplishments that we achieved this year. Most of all, we think the greatest pleasure has come from renewing old friendships and making new ones. Our other herd sires continue to do well — selling semen and producing calves across the world.

I just want to remind everyone that we still have our second to none guarantee, and our discounts have stayed the same. We will start at 11 a.m. again, and don't forget to bring your trailers sale day to get an extra \$50 off per bull if you haul your own, otherwise we will deliver your bull free of charge. We will have GeneSTAR data on some of the top bulls and all the females by sale day. We feel that this is an important tool that will be used extensively in the years to come. All of the animals have been blood tested negative for Johne's Disease, BLV and BVD PI. We will also provide ultrasound and performance data sale day. If you want to preview any of the information prior to sale day, please contact us. We try to go above and beyond to provide you with all the necessary information and tools to improve your buying experience. If you cannot make the sale, please use our sight-unseen policy and buy with confidence. A copy of the sale offering will be available for preview and Superior Livestock will air the sale live on RFD TV.

I feel obligated to produce the best type of cattle that will work for the commercial cattleman as well as the purebred producer and I think there is something in this sale that will fit your needs. I look forward to visiting with all of you on the 14th.

Sincerely,

Lance LaGrand Pankratz

LaGrand's Annual Bull and Female Sale ✕ April 14, 2007 ✕ Canova, SD

Saturday, April 14, 2007

11 a.m. CT ✕ Canova, South Dakota
Held at LaGrand Angus and Hereford Ranch North
(11 miles north of Salem, South Dakota)

Sale Day Phones

(605) 523-2000 ✕ (605) 523-2002 ✕ (605) 523-2003

Dear Friends and Fellow Cattle Breeders:

Welcome to the 8th Annual LaGrand Angus and Hereford Ranch Spring Bull and Female Sale. Our industry is a fast evolving environment, and LaGrand is working diligently to stay abreast by using superior genetics to help meet your demands and provide you with a reliable seedstock source. Whether you look to Angus and Hereford cattle for calving ease, weaning or yearling growth, carcass quality or a combination of all these, they offer genetics to fit your needs. The bulls and females are screened based on individual performance, EPDs and visual appraisal, and have ultrasound data collected on them. All bulls must also pass a breeding soundness examination and all of the bulls and heifers have been blood tested negative for Johnes disease, BLV and BVD PI. Several are a result of embryo transplant, thus providing you with the opportunity to increase uniformity in your calf crop by selecting brothers to cover your herd.

LaGrand Angus and Hereford Ranch realizes that you have many options in your sire selection. They hope to be your chosen seedstock source by providing you with a superior product as well as outstanding customer service. I believe that this set of bulls possesses the individual performance, genetic predictability and proven heritage to suit your needs.

It has been an honor to work with Lance, Doc and the crew at LaGrand in the preparation for this sale, and I am excited about the future that their breeding program has to offer. We look forward to seeing you on Saturday, April 14, 2007, and as always, if I can assist you in any way prior to or on sale day, please let me know.

Sincerely,

Matt Sims

Joseph Kvigne, Dell Rapids, SD, (605) 670-1785

DIRECTIONS TO THE SALE SITE:

At LaGrand Ranch North, the former Bon View Farm,
Canova, South Dakota.
Eleven miles north of Salem, South Dakota, on Hwy. 81, or
from Hwy. 34-81 junction, go eight miles south on Hwy. 81.

AIR TRANSPORTATION:

Sioux Falls, South Dakota, Airport is approximately 53 miles
from the sale site. From the airport, go west on I-90 for 32
miles to Exit 364 Salem/Yankton. Turn right and go north on
Hwy. 81 for 16 miles. Ranch is located on the east side of
Hwy. 81. LaGrand Ranch will gladly meet your flight given
prior notice.

SUPPLEMENT INFORMATION WILL BE AVAILABLE SALE DAY

This will include current pelvic and scrotal information, any
updated AHIR Data and GeneSTAR information.

HERD HEALTH:

All cattle will be accompanied with proper health papers for
immediate shipment. All bulls selling have been fertility tested
by the herd veterinarian. All bulls have received Vira Shield,
Lepto and 7-way Clostridium. They are immunized for both Type
1 and Type 2 BVD, Rednose, Para Influenza and BRSV. All sale
cattle have been blood tested negative for Johnes's disease,
BVD PI and Bovine Leukosis Virus (BLV).

TERMS AND CONDITIONS:

Terms of the sale are cash, and all settlements must be made at
the close of the auction. Cattle will sell under the Terms and
Conditions as recommended by the American Angus Association
or American Hereford Association, depending on the breed.

LIVESTOCK MORTALITY INSURANCE:

A representative from American Live Stock Insurance Company
will be available to assist you with mortality insurance for your
purchases.

RETAINED INTEREST:

LaGrand retains a one-third semen interest in each bull in this
sale book except where otherwise listed.

DELIVERY:

LaGrand Ranch offers free delivery on bulls in the continental
United States to central points. Or take advantage of our
special Sale Day Only — Haul Your Own Discount, and receive
\$50 per bull discount if you bring your own trailer sale day and
haul your own. NO DISCOUNT ON FEMALES.

VOLUME & OTHER DISCOUNTS:

If you purchased a bull at last year's sale, you will be receiving a
5% discount on bull purchases this year. Anyone who purchases
a bull this year will receive a 5% discount on a bull at our 2008
sale. A 5% discount will also be given on the purchase of five or
more bulls. NO DISCOUNTS ON FEMALES.

LIVESTOCK CONDITIONING:

These bulls and heifers were raised on a high roughage ration to
ensure their maximum breeding potential.

INSPECTION:

Cattle may be inspected before the sale at LaGrand Angus and
Hereford North Ranch, Canova, South Dakota.

ANNOUNCEMENTS

Announcements at the sale by the owners or the auctioneer will
take precedence over statements in the sale book. We reserve
the right to withdraw any bull not meeting our specifications
before sale time. All persons who attend the sale do so at their
own risk. Neither the owners nor the sale manager assume
liability, legal or otherwise, for accidents or loss of property. As
the sale manager, MCS Auction and Specialized Marketing is
only an agent for the seller and has no responsibilities other
than those involved in conducting the sale.

Second To None Guarantee!

LaGrand Ranch guarantees all bulls against any injury that would keep them from being a breeder for the first breeding season. Breeding season is defined as the first 90-day period following first turnout of bulls! If a problem occurs, we will bring you a suitable replacement or you will receive full credit, minus the salvage value of the original bull, toward another purchase. LaGrand Ranch will provide ongoing customer service and focuses on buyer satisfaction. The bottom line is that our customer is happy. This credit or replacement guarantee pertains strictly to the physical loss of the bull.

SALE DAY PHONES:

(605) 523-2000, (605) 523-2002, (605) 523-2003

Visit the Angus Journal Web site, www.angusjournal.com or our Web site, www.lagrandranch.com, and view this sale book online.

Some of our recent successes in the show ring:

LAGRAND RELOAD 80P

The reigning 2007 National Western Grand Champion Hereford Bull

LAGRAND MAF ANTIDOTE 5775

The reigning 2007 Supreme Champion Bull at the Black Hills Stock Show

If you are unable to attend the sale, watch and bid live via Satellite.

Superior's live audio and pretaped video of each animal selling will be broadcast via satellite by Superior Productions on RFD-TV, DishNetwork channel 9409 and DirecTV channel 379. Interested buyers can call in and bid live on the animal that is selling. Superior Productions representatives handling the phones will turn the bid in directly to the auctioneer. Information and a video buyer's number can be received by contacting Superior Productions at (800) 431-4452 prior to sale day. Live sale footage can also be viewed at www.superiorlivestock.com, with bidding done by phone.

Suggested guidelines for best results when using yearling bulls

We are firm believers in the use of yearling bulls and feel it is one of the best years of their lives. It is a time when they are easy to manage and their only concern is breeding cows. We have found that when yearling bulls are managed carefully, they will perform better over time than bulls purchased as two-year-olds. Here are some suggested guidelines for care of yearling bulls; and to help ensure your 100% guarantee.

- Upon receipt at your ranch, keep yearling bulls separate from older bulls and feed them a maintenance ration of 5- to 8-lbs./head of grain (corn, oats or bull pellets) and free choice of hay. Reduce the amount of grain fed gradually, so bulls are on straight hay or grass two weeks prior to turning them out.

- Where possible, try to limit the bulls to 45 to 60 days of pasture service the first year. At this

time or as soon as possible, remove the bulls and put them in separate pastures with plenty of good quality grass.

- It is best to feed yearling bulls separate from older bulls until after their second breeding season. This allows them to achieve the growth and strength necessary to compete with older bulls for feed and space.

- A winter-feeding ration of 2- to 4-lbs. of grain, cake or pellets plus free choice hay will put the bulls in condition and allow them to grow and develop through the winter. The little added cost and care of feeding a yearling bull is usually made up for the average discount in price when buying yearlings versus two-year-olds. You will also benefit by one and probably two or three more years of use out of a well-managed and healthy bull purchased as a yearling.

Our Feeding Program

OVERVIEW

On behalf of Hubbard Feeds Inc. and myself, welcome to the 2007 LaGrand Angus & Hereford Ranch Performance Bull and Female Sale. It is my pleasure to work as the Nutritionist for LaGrand. I think you will agree that LaGrand continues to produce and promote the type of Angus and Hereford cattle that meet the needs and exceed the expectations of both the commercial and purebred producer. Together with LaGrand, I strive to develop optimal nutritional and management programs to match and express the genetic potential of the LaGrand breeding and show stock while giving special attention to safeguarding soundness and reproductive longevity.

NUTRITIONAL PHILOSOPHY

LaGrand Angus and Hereford Ranch, Hubbard Feeds Inc. and I believe in the concept of developing bulls and replacement females, not finishing them. The nutritional treatment of breeding stock from birth to breeding can have a profound effect on their lifetime reproductive potential. For this reason, LaGrand bulls and replacement females are developed on high

fiber diets from weaning to sale time. The goal at LaGrand is to express the lean gain potential of the cattle without compromising structural integrity and breeding performance.

BULL AND REPLACEMENT FEMALE DEVELOPMENT

To properly develop the LaGrand Angus and Hereford breeding stock, we pay special attention to their energy, protein, trace mineral, and vitamin requirements. Bulls and replacement females are developed on high-fiber, moderate-energy, and high-protein diets. Particular attention is given to proper vitamin and trace mineral supplementation to maximize reproductive development and ensure reproductive longevity. To this end, trace mineral supplementation includes organic trace minerals (Zinpro). We think that you will agree that our nutritional philosophy has produced an exceptional set of fertile breeding bulls and replacement females that are ready to go to work for you. Buy with confidence.

FOR REFERENCE ONLY.

Featuring bulls from the LaGrand herd sire who was the 2005 Roll of Victory Reserve Show Bull of the Year and the 2006 ROV Show Bull of the Year. This dominant champion was the Grand Champion Bull of the 2006 National Western Stock Show, 2005 North American International, 2004 North American International, 2005 Dixie National ROV and the 2005 Atlantic National ROV where he was also the Supreme Champion. As well, he topped the 2005 World Beef Expo ROV, the 2005 Oregon State Fair ROV and the 2006 Fort Worth ROV, also being Reserve Junior Champion of both the 2005 National Western and the 2005 Fort Worth ROV. QLC LaGrand Forum currently records both the second highest Weaning Weight EPD and the second highest Ultrasound Ribeye Area EPD in the Spring 2005 National Sire Evaluation Supplement while also ranking in the top one percent for Yearling Weight EPD, recording individual weaning and yearling ratios of 123 and 124 respectively in combination with an individual ultrasound ribeye ratio of 130 with his first 23 progeny combining an average birth ratio of 99 with an average weaning ratio of 105 and his first five yearling progeny recording an average ratio of 105. The sire of this bull combines a below breed average Birth Weight EPD with both a Weaning Weight EPD and a Yearling Weight EPD which rank in the top three percent and a Scrotal EPD in the top one percent along with an Ultrasound Ribeye Area EPD in the top two percent, while the dam of this bull records a progeny weaning ratio of 104 on 12 calves and a progeny yearling ratio of 107 on eight head in combination with a progeny ultrasound ribeye ratio of 111 on three head.

Lot 9A

Bon View New
Design 1407 ~
Maternal
Brother

LaGrand Pride
6025
~ Full Sister

Bon View Pride
664 ~ Dam

Lots 9A and 9B are maternal siblings to the total performance and carcass merit legend, Bon View New Design 1407, whose half semen interest commanded \$275,000 in the Bases Loaded Sale to Big K in Texas. Their full sister, LaGrand Pride 6025, sold at the 2007 Denim & Diamonds sale for \$12,500, going to McWilliams Ranch in Oklahoma. Maternal sisters include LaGrand Pride 4540, who sold for half interest to Southern for \$15,000 at the 2004 LaGrand fall production sale, and LaGrand Pride 4560, who sold for half interest to Southern for \$10,000 at the 2004 LaGrand fall production sale. Bon View Pride 316, another maternal sister, sold for a valuation of \$50,000 in the 2001 LaGrand fall sale. LCC Big River, a previous LaGrand herd sire, who is a maternal brother to the dam of these herd sire prospects, was the \$30,000 top-selling bull in the 2001 Leachman Cattle Company sale while his flush sister was the \$30,000 second-top-selling bred heifer of a past Bases Loaded Sale.

Lot 9B

Maternal brothers to Bon View New Design 1407 sell as Lots 9A and 9B!

FOR REFERENCE ONLY

B C Marathon 7022

Sire of Lots 1-28 and 275-277

B C Marathon 7022

Marathon is moderate framed with lots of thickness and volume. His calves are very stylish. This bull has some impressive growth and RE EPDs.

A special feature for this year's sale are these four full brother to GAR Predestined the #1 \$B bull while still ranking in the top 2% for REA. Predestined is the multi-trait leader who offers the industry the most economic importance. The dam of GAR Predestined and these four brothers, GAR EXT 4206, is the \$400,000 former donor of Broken Arrow. She has proven herself as a true transmitter of IMF with 15 progeny at an average IMF ratio of 122 and 15 progeny with REA ratio of 102. Full sisters to these bulls include: EXAR Miss EXT 2525, the \$125,000 high-selling lot at 2006 EXAR sale selected by KCS Angus Ranch; and EXAR New Design 5035, the \$86,000 fourth-high-selling lot at 2006 EXAR sale, selling to Pine Ridge Angus and Cool Spring Plantation. A maternal sister to these four bulls includes RF Pinnacle 0223, the No. 13 IMF proven dam and the \$80,000 second high valued donor in the 2006 Prospect Hill Farm sale. These four brothers to Predestined have the elements necessary to become breed leaders in their own right.

FOR REFERENCE ONLY

Hyline Right Time 338

Sire of Lots 44-47

Hyline Right
Time 338

338 continues to be one of the most popular bulls in the country for delivering powerful growth and high quality replacement females while keeping birth weights low. This highly proven bull has more than 7,000 calves with weaning and yearling ratios of 102 while maintaining a moderated birth weight EPD. His 338 daughters are long, deep bodied females with great udders. In addition, his calves consistently scan well, making him one of the most complete power bulls available today.

FOR REFERENCE ONLY

G 13 Structure

Sire of Lots 80-103 and 341-362

G 13 Structure

Lots 80-103 and 341-362 are progeny of the many-time champion who combines a below breed average BW EPD with both a WW EPD and a YW EPD which rank in the top three percent among current sires, along with a SC EPD which ranks in the top one percent and an uRE EPD which ranks in the top two percent. The many successful champion progeny of this noted sire include the LaGrand herd sire QLC LaGrand Forum, former National Western and North American International Livestock Exposition Grand Champion Bull.

FOR REFERENCE ONLY

BAAR USA Meatmaker 3075

Sire of Lots 104-125 and 278-286

LaGrand Angus has found one of the breed's thickest young sires to offer to you. This super beef bull is out of a really great cow from Broken Arrow Ranch that has three calves with a 107 weaning ratio and a 109 yearling ratio. His first calves are showing the kind of muscle and type the owners were hoping for. Meatmaker had a birth wt. of 84 lbs., weaning weight. of 809 lbs., and yearling weight of 1,587 lbs., and is a high-6 frame bull. Here's a real power bull with a deep maternal pedigree. He has a wide base with excellent feet and legs, while staying very clean in the sheath and throat areas.

Connealy Lead On

Sire of Lots 128-139 and 406-408

Connealy
Lead On

Lead On is a leading proven curve bender. He's medium framed and has a powerful phenotype that transmits tremendous muscle relative to his +2.2 BW EPD. His accuracy is solid with more than 10,000 progeny on record. Lead On's \$W ranks in the top 1% of the breed. Daughters are moderate framed with added thickness and good udder quality.

BR Midland

Sire of Lots 132-139 and 363-369

Midland was the bull the whole country was talking about after he set new records at the 2002 Midland Bull Test of performance and value. A son of E161 that offers a world of carcass and performance potential, making him a solid choice to take your program to a new level. At Midland, he ratioed 120 for ADG and 124 for total test index. His calves are proving him to be a short gestation, calving-ease bull, while still maintaining excellent structure and dimension.

FOR REFERENCE ONLY

GAR Integrity
Sire of Lots 176-178

GAR Integrity has captured the attention of the entire Angus breed. This 1407 son out of 1019 sold at the top of the Gardiner sale and has been in high demand ever since – rarely does a young bull generate this kind of interest in any breed. Integrity jumped all the hurdles to become a Lot 1 bull in Ashland, following in the footsteps of bulls like Precision, Expectation, Grid Maker and Yield Grade. He gets thicker with age and consistently produces some of the highest quality semen of any bull. Potential for greatness? No other bull has more. Don't miss the opportunity to use the freshest, most popular genetics in the breed today – Integrity – he is that good!

FOR REFERENCE ONLY

Davis Jr Blackbird 558H
Maternal Granddam of Lots 176-178 and 210

The \$260,000 one-half interest top-selling female of the 2004 Riverbend Sale, this longtime breed-leader for end-product merit records a progeny IMF ratio of 112 and a progeny REA ratio of 105 based on 106 head evaluated by ultrasound. Currently, 558H records the 22nd highest IMF EPD, the 24th highest RE EPD and the 28th highest %RP EPD among all Angus dams.

FOR REFERENCE ONLY

P V F New Horizon 001

Sire of Lots 189-193 and 288-289

P V F New
Horizon 001

A smooth, attractive bull that will add performance, eye appeal and structural correctness. His offspring have achieved great success in the show ring. 001 sired the Reserve Grand Champion Open Show Female and Grand Champion Bull at the 2006 NAILE ROV Angus Show.
