Dear Cattle friends:

It is my pleasure to welcome you to the 2008 LaGrand Angus Production Sale. We have put together an outstanding set of females and genetic packages that will strengthen any breeding program. Most of these females are young and in the prime of their life. They're ready to return dollars on your investment.

I have strived to breed these cattle for eye appeal and top carcass merits. They will carry pedigrees and EPD's that are at the top of the game. The cows will sell with their weaned heifer calves at side with the bulls being retained for the spring sale. The embryos being offered have been sought after, but I wanted everybody to have a shot at them. For the first time ever we will sell a large offering publicly instead of privately. All of the cattle have been blood tested negative for Johnes, BLV and BVD. Also, GeneStar information will be available sale day.

I urge you to study the offering closely. Many of the females are direct daughters out of our herd donors - some of the top matriarchs in the breed. Many will have calves that will be destined for the show ring. These females are mated to some of the top A.I. sires.

Please join us for the steak social on Friday the 12th from six to seven with the Angus embryo and semen auction to follow. The sale offering will be on preview that afternoon, after the Hereford dispersion, and the next day before the twelve o'clock sale. All of the auctions will be broadcast via the internet by Live Auctions TV. If you would like a DVD of the sale offering, please let us know right away. Also, reliable truckers will be available if you cannot haul your own purchases.

I want to thank our previous customers. I greatly appreciate and value the relationships we have made throughout the years. I also would like to thank the ranch crew for their hard work and dedication to this operation.

If you're in the area we welcome you to stop by for a visit. I hope to see you Friday the 12th for steak supper and special embryo/semen auction followed by the live lot sale on Saturday the 13th. If there is anything you need prior to the sale we welcome your phone call as well. See you at the sale!

Sincerely,

Lance LaGrand Pankratz

All cattle have received Vira-Shield 5 with Corona, Lepto and 7-Way Clostridium. They are immunized for both Type 1 and Type 2 BVD, Rednose, Para Influenza and BRSV. They also received a mycoplasma bobis, fusobacterium, pinkeye vaccination, type A and two doses of one shot.

A representative for American LiveStock Insurance Company will be available to assist you with morality insurance for your purchases.

Sight Unseen Policy:

LaGrand Ranch will guarantee 100% satisfaction on any lot purchased by a sight unseen order or they come home.

Selling more than 250 spring calving cows, 95 open heifers and nearly 300 embryos from LaGrand Ranch genetics!

Dear Friends and Fellow Cattle Breeders:

Welcome to LaGrands Annual Production sale! Our industry is a fast evolving environment, and LaGrand Ranch is working diligently to stay abreast by using superior genetics to help meet your demands and provide you with a reliable seedstock source. Whether you look to Angus and Hereford cattle for calving ease, weaning or yearling growth, carcass quality or a combination of all these, they offer genetics to fit your needs. The females are screened based on individual performance, EPDs and visual appraisal, and have ultrasound data collected on them.

As you read through this year's offering I am sure you will be impressed with the quality represented. LaGrand Ranch is known for producing the kind of females that perform well and offer ideal combinations in pedigree and eye appeal. The females in this sale have been selected as those that will go on to be profitable investments for future owners. Cow families represented include: Blackbird 558H, Primrose 2424, Mignonne E37, Georgina 1751, Elga Erica 006, Lady Jaye, Bon View Pride, and many more. Several are a result of embryo transplant, out of their valuable donor herd. LaGrand Angus and Hereford Ranch realizes that you have many options in your seedstock selection. They hope to be your choice by providing you with a superior product as well as outstanding customer service.

I believe that this set of female possesses the individual performance, genetic predictability and proven heritage to suit your needs.

It has been an honor to work with Lance, Doc and the crew at LaGrand in the preparation for this sale, and we are excited about the future their breeding program has to offer. We look forward to seeing you on Saturday, September 13, 2008, and as always, if we can assist you in any way prior to or on sale day, please let us know.

4504 records RE ratio of 1@110. Ranks in the top 1% for Marb, RE, SG and SB, top 3% for SW, top 15% for Milk, and top 20% for WW.

Selling the right to flush Blackbird 4504, selected as the \$97,500 2005 Angus Foundation Heifer in Denver to join the elite donor herd here at LaGrand. 4504 blends the foundation maternal and carcass Pathfinder Sire, Summitcrest High Prime with the \$520,000 valued Riverbend Ranch and Deer Valley donor, Blackbird 558H. She has blossomed into what may be, phenotypically, the most impressive daughter of 558H to date. Two flushmates to 4504 were selected by Rutherford Ranches as \$30,000 spring yearlings from the 2005 sale at Three Trees Ranch. One of them, Three Trees Blackbird 4238 has gone on to do great things at Rutherford Ranches with the first pregnancy from her selling for \$20,000 as the top-selling heifer calf pregnancy of the 2007 Stars of Texas Sale while another was the \$29,000 top-selling heifer pregnancy of the 2007 Grand Slam Sale in Texas to give Mike a \$49,000 return from his \$30,000 investment. Other full sisters to Blackbird 4504 include the \$45,000 Blackcap 4503 who, along with three progeny generated \$112,000 in sales in the 2008 Three Trees Sale and the \$35,000 Blackbird 4260 whose daughters by Mile High sold for \$55,000 in 2008 and \$50,000 in 2007 at Three Trees. A daughter of yet another full sister, Blackbird 4319, sold for \$52,000 in the 2008 Three Trees Sale. Maternal sisters to 4504 include: Blackbird 1018, the \$130,000 headliner of the Murcielago program in Virginia; the \$80,000 valued Blackbird 0276, the \$72,500 Blackbird 0226; Blackbird 4655, the \$72,500 second high-selling heifer of the 2005 Riverbend Sale selling to James Ruble Farms in Missouri and Sterling Hunter in Michigan; Blackbird 2313, the \$71,000 top-selling female of the 2003 Riverbend Sale; and Blackbird 4034, the \$65,000 top-selling female of the 2004 Riverbend Sale; Blackbird 4659, the \$62,500 third high-selling female of the 2005 Riverbend Sale selling to Rutherford Ranches in Texas; and Blackbird 0308, the \$62,000 valued member of the joint embryo programs of Cool Spring Plantation in North Carolina and Big K Ranch in Texas. New Design 0303, a maternal brother to Blackbird 4504, is currently serving as the senior herd sire in the Pine Ridge Angus program in Georgia. The dam of 4504, Blackbird 558H, posts a WR 2@106 and a YR 2@104 while showing ultrasound ratios IMF 146@110 and REA 146@105. Forty-four daughters of Blackbird 558H maintain a combined WR 59@104

TERMS OF FLUSH:

3139 is one of the most powerful daughters of a now deceased breed legend, Forever Lady 4304. 4304 began early in life writing her own chapter in Angus history, by capturing reserve grand champion heifer honors at the 1996 National Western Stock Show. Her legacy has been carried on through her progeny. Maternal sisters to 3139 include the \$95,000 top-selling show heifer prospect of the 2005 Big Event Sale that went on to sell one-half interest at private treaty for \$100,000 after being chosen Reserve Grand Champion of the 2006 National Western as a heifer calf. That same female, Forever Lady 5309, was named Grand Champion at the 2007 WNAF and sold a flush to Stevenson Basin in the 2007 EXAR Big Event for \$75,000. The long list of other high-valued maternal sisters to 8203 include the \$85,000 top-selling female of the 2006 Honor Roll Sale at Express; the \$51,000 Lot 1A heifer of the record-setting 2006 Big Event Sale; and a \$20,000 selection of the Schnoor family in California who went on to be a division champion at the 2006 National Jr. Angus Show. 4304 is a breed leading source of added muscle genetics who has 59 progeny scanned with a phenomenal average URE ratio of 105.

The powerful influence of the "Katinka" family is felt in this offering as it has been in the past. The phenotypic consistency of this cow line is evident in this set of daughters of the LaGrand foundation Katinka, 1807. 1807 sold to Brockmere Farms of Missouri, as a \$7,000 feature of the 2002 LaGrand Fall Sale, where she produced a \$4,700 heifer calf selected by the Bingman family of Illinois. The granddam of these females is a maternal sister to the South Dakota State Fair Grand Champion Bull, Bon View Traveler 181, tracing to the noted Pathfinder Dam, Bon View Katinka 2545.

VDAR Beauty

The VDAR Beauty clan has become one of the most respected and valuable cow families in the breed. The result of generations of intense culling and selection and offering a pedigree stacked with proven sires in the manner the Van Dyke family learned from their generations of experience as dairymen, the VDAR Beauty family has a tremendous legacy in the Angus breed. For example, Beauty 930 was the \$40,000 top-selling cow of the "Cream of the Crop" sale and her full sister was the \$30,000 second high-selling cow. Among the top-selling females in Montana Angus history at that time, Beauty 930 would produce the \$21,000 top-selling female of the 1997 NILE Sale for The Fishhook and generate over \$250,000 through the sale of sons, daughters and frozen embryos offered at private treaty and consignment sales.

This fancy two-year-old daughter of the two-time NWSS Grand Champion bull, "Forum" is a maternal sister to the new-and-upcoming herd sire LaGrand Sundance 4211 who sold in the 2005 LaGrand bull sale for \$29,000 to Styles Plainview Angus and the Sundance Group for two-thirds interest and full possession. Sundance has claimed grand champion at numerous shows including the 2006 American Royal, grand champion and supreme champion at the World Beef Expo, and grand champion at the South Dakota and Iowa State Fairs. The dam of this heifer is from the same family that produced JLB Exacto 416.
