WELCOME

Lance & Jeanna Pankratz,
Kaytlin, Logun and Emmalin

Dear Cattlemen and Women,

Welcome to the annual LaGrand Angus Bull sale. It's been a privilege getting to meet all of you over the past 18 years. This year the sale will be held again at Stockmen's Livestock in Yankton, SD at 11 A.M. with Special guests, Penner Land and Cattle and Shaggy Meadows Red Angus. They are bringing a very nice set of cattle that would complement anybody's herd. Your consideration in my program is humbling. I truly feel these bulls will fit your needs in the upcoming times and provide you with the genetics you and the industry desire.

This set of bulls have been developed exactly the same as the past, for longevity. I've culled intensively and I'm only bringing the cream of the crop to town. They are not pushed and are developed in large pastures and pens. As usual, they will be in great shape and ready for cows. The bulls carry a first breeding season guarantee with many discounts and delivery options available. Scale busting weights have never been a goal for me. Please consider this when looking at the offering but I guarantee this group will add frame, length and pounds to any set of calves plus a bull that will hold together during your breeding season and for many years to come.

I realize that you have many options when you are selecting your genetics and I would like to thank all of my past customers for their loyalty and for the new ones for taking the time to consider an investment in LaGrand Angus. Our success derives on getting better every year and your demand drives

me to produce better cattle. I would also like to thank all my friends and family for making this come together. Also, Ralph's Feed and Sioux Nation for providing the services to get this set here. Please feel free to stop by or call with any questions.

Sincerely,
Lance LaGrand Pankratz

Jay, Malynda, Kenzy and Keely Penner

Welcome from Penner Land & Cattle!

We are fortunate to be a guest in the LaGrand Angus annual production sale again this year. We are no stranger to the cattle business being in the 4th generation of breeding registered Hereford cattle that stems on 54 years in the business!

Our herd was started by my grandfather, Jimmy Carter (Carter's Polled Herefords), from Rocklake, ND. I was born and raised in North Dakota and arrived in Freeman in 2006 working for LaGrand Angus during college. After the completion of college, I continued to work fulltime for LaGrand and continue to work there now on a part-time basis. In 2011, all the Hereford cows moved south to our place in Freeman. Grandpa's cows are all ran with our cows and as one herd along with our commercial baldy cowherd.

This sale is labeled TOP CUT for a reason and you'll see we only kept two this year. We strive for quality and if they don't meet standards in the Fall, they don't make the cut.

The bulls have been developed on the J&R feed program along with quality grass hay.

These two have always been standouts and have developed nicely. They are stout, long ribbed and sure to add some pounds. The cows do not get any fancy treatment and have to raise a good calf every year. Open cows are not tolerated. They have to do their job or they are gone. We strive to raise solid footed, framey bulls with muscle. We sell calves by the pound just as you do and the bottom line is to add pounds for more profit. We strive for maintenance free cattle that go out and produce long term.

We encourage you to contact us with any questions and invite you to the farm beforehand to look at the bulls and cows that produce them. The coffee is always on and we look forward to seeing you on March 22.

Sincerely,
Malynda & family
